### Education:

Ph. D. Dept. of Civil Engineering, National Chiao Tung University, Taiwan.

M. S. Dept. of Construction Engineering, National Kaohsiung First University of Science and Technology, Taiwan.

### Experience:

- Assistant Professor, August 2010-July 2016  
Dept. of Civil Engineering and Engineering Management,  
National Quemoy University, Taiwan
- Assistant Professor, February 2010 - July 2010.  
Dept. of Civil Engineering and Engineering Informatics,  
Cheng Shiu University of Science and Technology, Taiwan.
- Post-doctoral Research, October 2009 - February 2010.\nDept. of Civil Engineering,  
National Chiao Tung University, Taiwan.

### Research Interest:

Structural Dynamics, Earthquake Engineering, Seismic isolation and energy dissipation, Structural Control.

### Publications/Patents: (up to July 2016)

Number of journal papers published: 9 (including 2 papers indexed in SCI)

Number of conference proceeding papers published: 25

Number of patents granted: 8

(All paper and patents are within the technical areas of earthquake engineering, structural dynamics and control.)
